Service	 Safety	 Original parts	 Diagnostics and repair	 Maintenance and Full Service	 Fleet Data Services	 Training
Financing	 Purchase	 Hire-purchase	 Leasing	 Long term rental	 Short term rental	 Basic-Dynamic®

STILL PartnerPlan – we will show you the way!

The STILL PartnerPlan is a clear and transparently structured framework to help you find the perfect customized intralogistics solution. It includes our complete range of trucks, system solutions, services and financing options. The STILL PartnerPlan enables us to work together as partners and create a bespoke package by producing a customized combination of individual components from our range. With the STILL PartnerPlan we will find a solution precisely tailored to your needs and requirements – from industrial trucks, automation and software solutions through to services including genuine and original parts as well as choosing the right financing solution for you.

You will benefit from all STILL products being perfectly aligned to each other.

Optimum interaction is guaranteed and we will work with you to achieve success.

We will show you the way!

Transport	 Electric trucks	 Diesel and LPG trucks	 Warehouse equipment	 Platform trucks and tractors	 Tugger trains	 Used trucks
-----------	--	--	--	--	--	--

Transport: STILL provides the perfect forklift truck for every situation. From counterbalanced forklifts and warehouse handling equipment to trucks and tractors, STILL offers a comprehensive portfolio of efficient and innovative forklift trucks. Whether they are used for the intra-company transportation of a few hundred kilograms or several metric tons, or whether they are powered electrically or by internal combustion engine, all STILL forklift trucks have one thing in common – the optimum combination of the power, precision, ergonomics, compactness, safety and environmental responsibility makes them 'simply efficient'.

Finance: The numerous financing solutions offered by STILL are flexible, transparent and tailored to your needs. Choosing the right financing option for you is just as important as choosing the right products. In both cases, STILL offers solutions that are precisely tailored to your individual requirements – including traditional purchases, hire purchases, a wide variety of leasing options, long or short term rental of individual forklift trucks or entire fleets, and BasicDynamic®, a flexible contract model within which usage costs are flexibly and automatically adjusted to fluctuating usage times.
